

Planning on extending your holiday in Switzerland and looking to travel abroad?

Do you want to explore more of the country's bustling cities and popular sights, serene lakes and beautiful snow capped mountains? Then this pass is ideal for you.

A Swiss Half Fare Card entitles you to an unlimited number of tickets on most trains, buses, and boats at a 50% reduction rate and is valid for one month.

Features

- Purchase unlimited number of tickets for most trains, buses, boats, city and mountain transport at a 50% reduction rate.
- 1 month validity.
- Children under the age of 16 travel free if accompanied by an adult travelling with a Swiss Family Card.

Why purchase a Swiss Half Fare Card?

- The Swiss Half Fare Card suits itineraries with smaller journeys. *Example:* The following itinerary contains a few short journeys (all under 2 hours): Zurich - Lucerne - Interlaken- Bern - Lausanne - Geneva. After calculating the cost of the Swiss Half Fare Card + the train tickets at the 50% reduction rate, and comparing to a Swiss Travel Pass or point to point tickets, the Swiss Half Fare Card works out to be the most cost effective option for this itinerary!
- Not only are you entitled to 50% off the price of your train tickets, you can also use your Swiss Half Fare Card for 50% off buses, boats, city and mountain transport. A great reason to choose a Swiss Half Fare Card over point to point tickets!

Free Swiss Family Card

For or families travelling together, the free Swiss Family Card allows all children under 16 years to travel free of charge when accompanied by a parent (including step and foster parents) excludes reservation fees.

- Children aged 6 - 15yrs inclusive who are not members of the family qualify for a 50% reduction on all Swiss Travel System tickets.

Conditions

- Residents of Switzerland & Liechtenstein are not eligible to purchase or use a Swiss Travel System product.
- Passes are pre-validated. Rail Europe will request a start date at the time of booking; this will be the first day of validity of the rail pass.
- Seat reservation fees are an additional charge and not inclusive in the cost of the pass.
- Comprehensive conditions of use can be found on the ticket cover.
- For some tickets, the discount is less than 50%, especially on very short (urban) routes.

Amendments

- Rail Europe can amend the start date printed on your pass to an **earlier** date. It is not possible to amend to a date that is later than the start date printed on your pass.
- Passes must be returned to Rail Europe by 7 days prior to the pass start date. Within 7 days of the start date, no changes can be made.
- A \$20 per pass, per person amendment fee applies.

Refunds

- **If you are still in Australia** - passes must be returned to Rail Europe unused by 3 days prior to the pass start date (listed on the pass). Within 3 days of the pass start date, the pass is non-refundable & non-exchangeable.
- **If you decide to cancel when you are in Switzerland** - you must have your pass endorsed as unused at a Swiss train station prior to your nominated start date and returned to Rail Europe within 60 days. If the pass is not endorsed by the start date then it becomes non-refundable, non-exchangeable. No partial refunds.
- A \$30 per pass fee + Carrier Penalty applies.
- Swiss Passes cannot be refunded or reissued if lost or stolen

All bonuses require the use of a travel day on your rail pass. All bonuses are handled locally and are subject to change.
