

## MONTREUX - GRUYERES - BROC - MONTREUX

As you are in the country of chocolate, you should not miss the Chocolate train. It runs from Montreux to the Gruyère region from where the excellent quality Cailler-Nestle chocolate and, naturally, Gruyere cheese comes from!

Travel exclusively in 1st class "Belle Epoque Pullman" deluxe carriages just as they were in 1915. Sit back & enjoy the spectacular scenery on the way to Montbovon. In Montbovon, change to travel by bus to Gruyères. Visit the picturesque Gruyères village and discover how Gruyere cheese is made at the demonstration cheese dairy. A bus then takes you to the Nestle-Cailler factory in Broc, where a tour is offered together with a film and a tasting of over 30 samples.
